

Md. Tanvir Ahmed

Data Analyst | Business Intelligence (BI) Analyst | Power BI Developer

[ md.ahmedtanvirdev@gmail.com] [ +8801882060723] [ Dhaka, Bangladesh]

[ [Portfolio](#)] [ [LinkedIn](#)] [ [GitHub](#)]

PROFESSIONAL SUMMARY

Data Analyst and BI Analyst with strong hands-on experience in data analysis, business intelligence, and analytics-driven decision support. Proficient in Python, SQL, Power BI, Excel, and DAX, with a proven track record of building dashboards, KPIs, and end-to-end analytical solutions. Experienced in transforming raw data into actionable insights through data cleaning, EDA, visualization, and statistical analysis. Passionate about solving real-world business problems using data.

CORE SKILLS

Data Analytics & BI: Power BI, DAX, KPI Development, Dashboard Design, Data Visualization, Business Reporting

Programming & Querying: Python (Pandas, NumPy, Matplotlib, Seaborn), SQL (MySQL, T-SQL), R (basic)

Data Engineering & Wrangling: ETL, Power Query, Data Cleaning, EDA, Data Modeling

Analytics & ML: Statistical Analysis, Regression, Classification, Feature Engineering, Predictive Analysis

Tools & Platforms: Excel (Advanced), GitHub, Jupyter Notebook, Google Colab, Power BI Service, SQL Server

Soft Skills: Analytical Thinking, Data Storytelling, Business Understanding, Stakeholder Communication

PROFESSIONAL EXPERIENCE

Data & Operations Analyst

Ideal Foods Pvt. Ltd. | Dhaka, Bangladesh | Full-time

Apr 2025 – Present

- Analyze operational, production, and sales data to support strategic planning and performance optimization.
- Collaborate with inventory, logistics, and sales teams to streamline data workflows and identify efficiency gaps.
- Develop and maintain Excel-based dashboards tracking KPIs, product movement, and resource utilization.
- Support demand forecasting, inventory monitoring, and cost analysis for data-driven decisions.
- Ensure data accuracy through audits, validation checks, and database maintenance while delivering timely management reports.

Power BI Intern (Virtual) – PwC Switzerland

Mar 2025

- Built interactive Power BI dashboards analyzing call center performance, customer retention, and diversity metrics.
- Applied DAX measures and data modeling techniques to support stakeholder decision-making.

Data Analytics Intern (Virtual) – Quantum

Mar 2025

- Conducted customer segmentation, uplift modeling, and experimentation analysis.
- Translated analytical outcomes into commercially relevant insights.

Data Analytics & Visualization Intern (Virtual) – Accenture

Mar 2025

- Executed end-to-end analytics workflows including data cleaning, modeling, and visualization.
- Created dashboards using Power BI and Tableau and presented client-style insights.

PROJECT HIGHLIGHTS

- **Sales & Financial Analytics Dashboards:** Built SQL + Power BI dashboards tracking revenue, profit, and operational KPIs.
- **Call Center & Customer Analytics:** Designed Power BI reports analyzing performance, retention, and customer behavior.
- **COVID-19 & Market Analysis (Python/SQL):** Performed EDA on large datasets to uncover trends and actionable insights.
- **Retail, HR & Survey Analytics:** Delivered business-focused dashboards using Power BI and Excel.

(Full project portfolio available on GitHub)

EDUCATION

Bachelor of Science (BSc) – STEM

Tongi Govt. College

2024 - Present(Ongoing)

Activities: Debating Society, Science Club.

CERTIFICATIONS (*SELECTED*)

- **Microsoft** Power BI Data Analyst – [Microsoft](#)
- **Google** Data Analytics – [Google](#)
- **IBM** Data Analyst Professional Certificate – [IBM](#)
- **Oracle University:** Data Science, Analytics & Generative AI Professional Certifications – [Oracle](#)
- Data Analyst Job Ready Bootcamp – [Data Solution-360](#)

ADDITIONAL INFORMATION

- Strong portfolio of 100+ data analytics projects across Python, SQL, Power BI, and Excel.
- Comfortable working with both technical and non-technical stakeholders.
- Actively learning and applying Generative AI in data analysis workflows.
